Scottish Schools Championship 2018-19 won by High School of Glasgow

The Scotsman Cup for the Schools Championship was comfortably won by the team from the High School of Glasgow in Stirling. The Abbott Trophy, for the leading team from multiple schools, was won by a joint team from the High School of Glasgow and Hutchesons' Grammar School, who finished second equal with another team from Hutchesons'.

Nine teams entered and I expect to see many of the players representing Scotland Juniors over the next few years. More photos and full results will be on the SBU Education website (<https://www.spanglefish.com/sbueducation/index.asp>) and can be seen on the SBU Juniors site (<https://site.pianola.net/sbu-juniors>).
