

Lesson 6 – Quiz Questions opener's new suit rebids with a stronger hand & responder's rebids showing preference

1. You Open 1♦. Your partner responds 1 ♠. What do you now bid with the following hands?

```
a ♦ JT9
                ↑ AQ93 c)
                              ↑ A 3 2
                                        d)
           b)
                                             ♠ QJT4
  ♥ A 3
                9 9
                              ▼ KT94
                                             ♥ A3
                ◆ AKQT76
  ◆ AKQJ98
                              ♦ AKT54
                                             ♦ KQT54
  ♣ A 9
                ♣ A 9
                               * 4
                                             * KQ9
```

2a If the bidding goes:

Opener Responder 1♥ 1♠ 2◆

Describe what you know about Opener's hand.

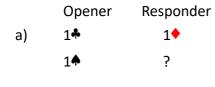

2b If the bidding goes:
Opener Responder
1 ◆ 1 ◆

2♥

Describe what you know about Opener's hand

2c What's the notable difference between Opener's rebids in 2a and 2b?

3. In the following auctions, is the last bid shown forcing? I.e. can responder pass or must he make a rebid?

4. What can you tell from the following two bidding sequences about **Responder's HCP** range and therefore **Opener's HCP** range?

a)	Opener	Responder	b)	Opener	Responder
	1♥	1♠		1	2♦
	3♣			3♣	

5. Write out a bidding sequence that shows Opener's rebid showing:

a) A non-forcing 3 level rebid

Opener	Responder
1♣	1♠
?	

b) A 'jump shift' rebid at the 3 level

Opener Responder

1♣ 1♠

?

c) A 'reverse' rebid

Responder Opener

1♣ 1♠ ?

6. What are the guidelines for Opener holding the dreaded 4,4,4,1 hand?
