

## SBU SIMS conditions of Contest August 2023

Heats may be played face to face or online on BBO or Real Bridge.

Details of hands and contracts must not be published until 22.00 on the day they are played. Bridgewebs allows the players scored to be uploaded and the hand and contract details to be delayed. Heats starting prior to 6.00 pm each may only be played face to face or on RealBridge as there is no provision to delay the posting of hand records on BBBO.

There must be a minimum of three full tables playing and **all** players must play at least 18 of the 28 boards provided played.

All players must be members of the SBU and either members of the club where they play or guests allowable under the rules of the club.

This is an SBU event and if BBO is used the following rules must be followed: Kibbitzing is not allowed, all players must be members of the SBU including subs, and robots are not allowed. (NB BBotoXLM allows the removal of a pair and the results recalculated. This allows the use of subs or robots to avoid a pair having to sit-out but does not count that score in calculating the result. But there must be at least scores for 6 pairs in the final results.)
