## Winter Celtic Sims 2015

---

We would like to thank all the clubs that participated in this fundraiser. Thanks to their generous support we have raised a little over £2,500 for our International Fund.

We had a total of 719 pairs in 47 clubs, with 51 sets of results. (The Bridge Club in Aberdeen played 4 separate heats, and Biggar chipped in with 2.)

There were also 26 heats in Wales and 7 in Northern Ireland

Full results are available on [bridge.ecats.co.uk](http://bridge.ecats.co.uk)

Individual club rankings and winners certificates have been posted to all participating clubs. These tell you how many master points you have earned – they will be allocated centrally on Mepad.

And perhaps some of the non-participants could find a club night in April?

If you would like to play but are not on the list; or if your club cannot participate in April; please get in touch with Liz McGowan ([liz.mcgowan@blueyonder.co.uk](mailto:liz.mcgowan@blueyonder.co.uk)) who will make the necessary arrangements.

Please also keep a date available for the 2016 Winter Pairs in the first week in December, 2016
