The Carlton has a live-in caterer so it is not acceptable to bring your own food. She will give me a menu in advance, and I will ask you to select from that early in the new year. She caters for all food allergies etc.

Selection: The leading team at the end of the event will be automatically selected. A 3rd pair will be added after the Committee has considered both the trial performance and that of measurable performances in high standard events in the previous 2 years.

Vugraph Training: In preparation for us hosting the Lady Milne in April, we shall take the opportunity to do some training with our new Technical Manager and operators with no previous experience. We shall likely therefore have 2 or 3 tables on BBO Vugraph for at least one of the days. This should not impinge on you as it will mirror what happens at the actual Senior Camrose.
